

SUMMER COLLECTION

SPRING & SUMMER 2027

WHO IS JACALU SHOES?

Jacalu is a quality shoe brand developed by the Italian manufacturer M&G – a player with over 30 years of experience in the design and production of footwear.

Based in Montebelluna, a historic center of Italian shoe craftsmanship, Jacalu combines traditional craftsmanship with modern innovation to create shoes that deliver both style, comfort and performance.

The core of Jacalu lies in advanced technology and thoroughly tested production processes.

DOUBLE DENSITY PU INJECTION

All models are produced with Double Density PU Injection, a technology where the sole and upper are fused together in one and the same process. The result is an extremely durable construction with no weak points, which at the same time provides low weight, optimal shock absorption and very good insulation against cold and surfaces. The double density of the PU sole ensures a unique combination of flexibility, grip and stability – even on demanding surfaces such as snow and ice.

J-TEX MEMBRAN

For maximum protection against the elements, the shoes are equipped with a J-TEX membrane, which makes them water-repellent. This ensures dry and comfortable feet, no matter the conditions. Together with ergonomically designed lasts and removable, pre-shaped insoles, this provides a fit and comfort that suits all ages and needs.

WHAT ARE WE BEST KNOWN FOR?

- ❑ WINTER BOOTS AND OUTDOOR TREKKING SHOES WITH HIGH COMFORT
- ❑ WATER-REPELLENT SOLUTIONS THANKS TO J-TEX MEMBRANE
- ❑ EXTREME DURABILITY AND COMFORT THROUGH DOUBLE DENSITY PU INJECTION
- ❑ LIGHTWEIGHT SHOES WITH GOOD GRIP, EVEN ON SNOW AND ICE
- ❑ ITALIAN DESIGN COMBINED WITH FUNCTIONALITY

Jacalu is especially known for its winter boots and outdoor trekking shoes but also offers a wide range for different needs.

Through careful material selection, continuous quality control and Italian design philosophy,

Jacalu delivers products that are made to last – and to perform, every day.

DOUBLE DENSITY PU INJECTION

HIKING & TREKKING

WALK THE PATH OF LEGENDS

JACALU TREKKING BOOTS

FENRIR

12304 V3

Durable leather trekking shoe with strong grip and stability.

EU Size: 36 – 47

Upper: Leather

Membrane: J-TEX

Insole: Removable

Injected Sole: PU dual density

FENRIR
